

July 3, 2026

Hello, folks.

A few reminders as we head into the holiday weekend.

First – YOUR ATTENTION, PLEASE!

The **Eurasian Watermilfoil (EWM)** in Dollard's Bay remains uncontrolled.

The Tribal Natural Resources Department (TNR) has placed a net across the mouth of Dollard's Bay (the bay with the Tribal boat landing), where the Eurasian Watermilfoil infestation is most dense. The purpose of the net is to help prevent EWM fragments from escaping into the main lake.

Although the net is marked with orange buoys, it can be difficult to see.

Please Stay Clear of Dollard's Bay.

Second,

The White Sand Lake Association is sponsoring a **4th of July Photo Contest!**

For contest rules and entry information, please visit:

Third,

The annual White Sand Lake Association meeting is just **eight days away on Saturday, July 11**

- Coffee: 8:30 a.m.
- Meeting: 9:00 a.m.
- Location: Dillman's

If you haven't already, please remember to cast your vote before the meeting:
