

August 7, 2026

Good Afternoon, Everyone.

1.) A reminder of the upcoming hearing in the U.S. District Court in Madison.

The Association is asking the Federal Court to transfer the Tribal Court proceedings filed against the White Sand Lake Association to Federal Court and to **allow the reopening of the Association's public landing**. (one page summary: <https://whitesandlakeldf.com/landing/#FederalCase>)

An in-person hearing on this motion has been scheduled for:

Tuesday, August 11, 2026; 10:00 a.m.

Federal Courthouse, 120 N. Henry Street, Suite 320, Madison, WI 53703

This hearing is open to the public, and members are strongly encouraged to attend. Remember, this hearing is about controlled boat access to White Sand Lake going forward. Parking is readily available adjacent to the court house. The proceedings may last several hours. If you believe you will attend, please contact me so we have an estimate of the number of members who will be present.

🚫 2.) The **#1 thing you can do right now to help stop the spread of Eurasian Watermilfoil (EWM)** is to **stay at least 100 feet off the shoreline whenever possible**.

EWM may be difficult—or impossible—to see from the surface. When boats travel through infested areas, propellers and boat traffic can **break EWM into tiny fragments**. Those fragments drift, take root, and create new infestations.

- 👉 Stay in deeper water.
- 👉 Stay **100 feet off the shoreline**.
- 👉 Avoid areas marked on the EWM map.
- 👉 Help protect your shoreline and the entire lake.

🍹 **FRIDAY HAPPY HOUR CHALLENGE!**

Please **PRINT THREE** copies of the EWM map.

- 📌 Keep one for your household.
- 📌 Give the others to your neighbors.

Not everyone reads their email. Not everyone is on this email list. **We need to reach everyone who lives on—and visits—White Sand Lake.**

Respectfully,

Clark J. Albert
White Sand Lake Association
